

CONTENT CREATORS AND POWER RANGERS FANS COME TOGETHER FOR “THE VIEWING GLOBE” - AN ONLINE POWER RANGERS FAN EXPERIENCE THIS LABOR DAY WEEKEND

COVID-19 may have shut down the convention scene for 2020 but it will never break the spirit of the attendees. Due to the global pandemic there are no Power Rangers conventions being held this year. To fill that void, content creators and Power Rangers actors have come together to create “THE VIEWING GLOBE” - an online fan experience for Power Rangers and Toku fans. This event is 100% free and will be streamed via YouTube starting Friday, September 4th through Sunday, September 6th.

The entirety of the fan experience will be streamed online via The Illuminerdi YouTube Channel. You can find it here - <https://www.youtube.com/TheIlluminerdi>

We are thrilled to announce our first two special guests for THE VIEWING GLOBE!

- **JASON DAVID FRANK** (Mighty Morphin Power Rangers, Mighty Morphin Power Rangers The Movie, Power Rangers Zeo, Power Rangers Turbo, Power Rangers Dino Thunder)
- Members from the cast of **POWER RANGERS BEAST MORPHERS**

Special thanks to some of our sponsors of THE VIEWING GLOBE:

- BigBadToyStore
